St. Xavier's High School, Khandagiri  
2019-2021  
Percentage: 80%

## CERTIFICATION

### Swayam NPTEL Courses by IIT Kgp:

- Programming in Java
- Data structure & Algorithm using Java

### Other Technical Courses:

- Core Java
- Advance Java
- Basic C
- Python

## PROJECTS

### BANK MANAGEMENT SYSTEM | JAVA & SQL

- The application is designed to facilitate efficient management of bank accounts and transactions.
- Developed using Java for the frontend and SQL for the backend, it allows users to perform various banking operations such as creating new accounts, changing PINs, checking balance, and generating mini-statements.

### COLLEGE MANAGEMENT SYSTEM | JAVA & SQL

- It is a comprehensive solution designed to streamline administrative tasks, facilitate communication, and improve efficiency within educational institutions.
- Developed using Java and SQL, it provides a user-friendly interface for managing student and teacher information, attendance tracking, and academic performance monitoring.
